Form EOIR-33: court and BIA contact-information updates

How do I distinguish EOIR-33/IC from EOIR-33/BIA and USCIS address reporting?

EOIR-33/IC concerns contact information in immigration-court cases, while EOIR-33/BIA concerns cases before the Board of Immigration Appeals. USCIS address reporting is separate. Identify the actual forum and current case record before using the applicable instructions, and keep submission confirmation distinct from a hearing-location change.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify court versus BIA from the actual record.
- ☐ Choose the matching EOIR-33 framework.
- ☐ Track affected people and matters separately.
- ☐ Read complete submission and service instructions.
- ☐ Save confirmation and review later correspondence.
