Parole research evidence: a support-record index

How can parole-related support records be organized without treating them as a government approval?

Index the proposed support arrangement, person-specific history and actual parole-related record separately. A promise to help and an official decision serve different purposes and should not be merged into one claim of authorization.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Index support statement with its source and event date.
- ☐ Index supporting material with its source and event date.
- ☐ Index individual history with its source and event date.
- ☐ Index agency communication with its source and event date.
- ☐ Mark missing or conflicting information without inventing an answer.
- ☐ Compare the finished index with current official instructions before relying on it.
