Form G-1145: acceptance alerts and formal receipt notices

What does a G-1145 text or email tell me about my USCIS filing?

G-1145 requests a text or email when USCIS accepts a form. That alert is not an approval, an eligibility finding or a complete replacement for the formal agency notice. Keep acceptance notifications, delivery tracking and the actual receipt notice as separate records.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Read current G-1145 applicability instructions.
- ☐ Check the contact details used for notifications.
- ☐ Keep carrier delivery and intake alerts separate.
- ☐ Save the formal receipt notice when received.
- ☐ Verify unexpected demands through an official channel.
