Form I-914: T nonimmigrant status and sensitive records

What is I-914's role in researching T nonimmigrant status?

I-914 is the T nonimmigrant application associated with severe trafficking circumstances under USCIS's framework. The official package separately lists Supplement A for derivative T status and Supplement B as a trafficking-victim declaration. Those document roles differ from the I-918 U certification framework and from an asylum application.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Read the current I-914 process description.
- ☐ Keep T, U and asylum frameworks distinct.
- ☐ Use a minimal private index for sensitive records.
- ☐ Mark unavailable or unsafe-to-obtain items honestly.
- ☐ Discuss evidence handling with qualified assistance.
