

YOUR WORKING CHECKLIST

Track a USCIS address update across pending case records

How can I check an address-change task when I have more than one pending USCIS case?

Make a private list of the affected people and pending references, use the current official USCIS update process and preserve the confirmation for the actual task. Postal forwarding, an online profile edit and another agency's record should not be assumed equivalent. This guide does not calculate an individual reporting period or move a court venue.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Inventory the people and pending references.
- ☐ Distinguish the address systems involved.
- ☐ Follow the current USCIS update instructions.
- ☐ Save the confirmation and unresolved items.
- ☐ Recheck later correspondence without assuming transfer.
