Form I-751: removing conditions and organizing marriage records

How is I-751 different from replacing a Green Card?

I-751 concerns removing conditions on permanent residence obtained through marriage. I-90 concerns replacement of the physical Permanent Resident Card. A reader should identify the underlying residence process rather than assume that an approaching card date makes the two requests interchangeable.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Gather the notices explaining the underlying residence process.
- ☐ Separate card-replacement issues from removal-of-conditions questions.
- ☐ Inventory relationship records by date and source.
- ☐ Mark missing or inconsistent information for review.
- ☐ Check the current When to File section and instructions.
- ☐ Ask qualified help about changed circumstances or filing-basis questions.
