New York immigration help: employers, families and proceedings

How can I compare New York immigration services for an employer, family or criminal-court history?

New York's profiles span corporate programs, individual and family applications, consular work, criminal-immigration issues and litigation. The court system's attorney-research guidance separately explains registration, standing and disciplinary-record routes.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the agency, court or institution printed on the current notice.
- ☐ Name the actual professional proposed for the work.
- ☐ Use the appropriate official authorization record.
- ☐ Confirm the real meeting location and secure intake route.
- ☐ Ask which tasks, stages and expenses a written agreement covers.
- ☐ Check nonprofit capacity directly if researching no-cost help.
