

YOUR WORKING CHECKLIST

JSPBC: work petitions, residence projects and the current team

How do JSPBC's work, residence and family services differ, and who is on the current team?

JSPBC's service page separates work visas, employment residence, investors, business visitors, family sponsorship and citizenship. Its current roster also distinguishes active lawyers from retired founders, which matters when connecting an older file with a present service request.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the lawyer named on the older engagement and agency appearance.
- ☐ Keep the original filing and latest notice together.
- ☐ Distinguish retired roster entries from the proposed current assignment.
- ☐ Ask how the new task and its agency appearance would be documented.
