Joyce & Associates: immigration, family and criminal records

How do immigration, family-law and criminal-defense records differ in an inquiry to Joyce & Associates?

Joyce & Associates publishes immigration, family-law and criminal-defense services, with business and employment immigration identified separately. Its cross-practice structure makes the issuing court, the underlying record and the specific legal task essential to describing an inquiry.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the court issuing each family or criminal order.
- ☐ Locate the final disposition rather than only an arrest summary.
- ☐ Separate the family petition from any hearing record.
- ☐ Describe which departments the proposed service would involve.
