Kravitz & Guerra: immigration, business and financial record boundaries

How do Kravitz & Guerra's immigration, business, tax and estate-planning subjects differ as service inquiries?

Kravitz & Guerra's published menu combines immigration services with business, tax and estate-planning subjects. Readers can use that structure to separate an immigration application from the corporate or financial work that may accompany a cross-border project.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Label the business transaction separately from the immigration request.
- ☐ Distinguish company formation and intended personal activity.
- ☐ Identify who prepared each tax or estate record.
- ☐ List the specific deliverables in the proposed project.
