Leiva Law Firm: marriage, conditional residence and existing-case reviews

How does Leiva Law Firm distinguish marriage filings, conditional residence and an existing case review?

Leiva Law Firm separates marriage and fiancé matters, family sponsorship, I-751 work and citizenship. Its current intake page also distinguishes a new, unfiled matter from an existing or complex case requiring attorney review. Those are different document and service questions.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify whether any application has already been filed.
- ☐ Keep the original relationship petition and residence records separate.
- ☐ Build a later chronology for conditional-residence documents.
- ☐ Preserve the complete RFE, NOID or decision being reviewed.
