

## YOUR WORKING CHECKLIST

# Linda M. Hoffman: diplomatic and international-organization immigration

**What records distinguish an institutional A or G visa inquiry from a personal immigration request at the Hoffman practice?**

The Law Office of Linda M. Hoffman publishes A and G visa services and visa administration for diplomatic and international-organization communities, alongside residence and citizenship work. An institution's administrative request, an employee's status history and a relative's personal matter need separate descriptions.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

## Your preparation checklist

- ☐ Identify the institution and individual requesting service.
- ☐ Separate appointment letters from visa and I-94 records.
- ☐ Give each accompanying person a distinct document entry.
- ☐ Distinguish institutional administration from a personal application.
