

YOUR WORKING CHECKLIST

MacDonald Hoague & Bayless: employer programs and individual immigration

How can a reader distinguish MHB's employer-program work from an individual immigration or criminal-record inquiry?

MacDonald Hoague & Bayless lists temporary work visas, employment residence, family petitions, consular processing, citizenship, criminal-immigration concerns and employer compliance. Its service range makes the identity of the client and the purpose of each document more useful than a general request for workplace immigration help.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Separate company job records from the worker's history.
- ☐ Keep NVC and consular correspondence under their actual senders.
- ☐ Identify whether the employer task concerns I-9 or a petition.
- ☐ Locate complete court dispositions for criminal-related review.
