Maggio Kattar: individual immigration, waivers and court-related records

What makes an individual immigration inquiry at Maggio Kattar different from an employer's sponsorship project?

Maggio Kattar's individual-services page identifies family immigration, hardship waivers, citizenship, detention, removal, conviction-related immigration concerns and VAWA matters. These services can require a private account of personal events that is different from the records supplied for an employer's sponsorship project.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the personal task outside the employer project.
- ☐ Keep the decision underlying a waiver inquiry intact.
- ☐ Separate self-petition records from corporate evidence.
- ☐ Distinguish custody documents from a family-petition history.
