Mana Yegani: Houston detention, criminal-record and family inquiries

Which records distinguish a Houston detention inquiry from a criminal-defense or family matter at Mana Yegani's practice?

Mana Yegani's biography lists criminal-immigration, family, visa and naturalization services and references the practice's Houston detention-facility context. The meaningful intake details are the actual custody location, issuing institution and existing orders, rather than the distance between a private office and a facility.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the actual custody facility and issuing institution.
- ☐ List who holds each complete or partial notice.
- ☐ Separate criminal dispositions from immigration orders.
- ☐ Keep the relationship petition in its own chronology.
