

YOUR WORKING CHECKLIST

Boston USCIS appointments: naturalization or citizenship documentation?

How do I distinguish a Boston naturalization appointment from research about a citizenship certificate?

A Boston USCIS appointment should be identified from its actual notice and application reference. Naturalization, an oath-related event and evidence of citizenship acquired through a parent are different questions; a field-office search does not turn one process into another.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the application reference before naming the event.
- ☐ Separate N-400, N-600 and replacement-document records.
- ☐ Retain later oath-related correspondence as a distinct event.
- ☐ Give each family member an individual notice entry.
