Miami USCIS research and an overseas consular visa process

When researching Miami USCIS offices, how do I keep a consular visa process separate?

A Miami residence or local USCIS office does not identify the destination of an overseas visa interview. Keep USCIS petition records, NVC communications and consular appointment instructions under their respective institutions and use the owner of each event for current directions.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Separate USCIS, NVC and consular communications.
- ☐ Retain each institution's actual reference.
- ☐ Keep petition approval distinct from visa issuance.
- ☐ Use the current event owner's attendance instructions.
