San Francisco USCIS inquiries and records for delay–litigation review

How do San Francisco USCIS office inquiries differ from asking a private lawyer about delay litigation?

A USCIS office inquiry identifies an agency resource; it does not start a federal lawsuit or determine whether delay litigation is available. For professional review, preserve the application history, actual agency responses and prior inquiry confirmations as distinct records.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Connect every chronology entry to its source document.
- ☐ Record inquiries as inquiries rather than legal decisions.
- ☐ Mark missing submissions before requesting review.
- ☐ Distinguish office research from a proposed court service.
