Seattle moves: USCIS address records and appointment information

How should a Seattle move be recorded when checking USCIS office and appointment information?

A new Seattle ZIP-code search does not itself update an immigration file, transfer a case or cancel an appointment. Record the move, the agency update and any attendance instruction separately, and preserve the official confirmation of each actual action.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Keep the move date and actual agency update distinct.
- ☐ Retain the address-update confirmation with affected references.
- ☐ Preserve existing appointments until officially changed.
- ☐ Separate private-office directions from government attendance.
