Pollak PLLC: an employer's H-1B question and the worker's evidence

What should an employer and worker distinguish in an H-1B inquiry to Pollak PLLC?

Pollak's Dallas H-1B page describes representation involving specialty-occupation employment. A useful inquiry separates the proposed position and employer records from the worker's qualifications and prior immigration history; a testimonial or occupation title does not establish eligibility.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the proposed petitioner and position.
- ☐ Separate job requirements from academic evidence.
- ☐ Keep registration, petition and decision records distinct.
- ☐ Preserve the worker's earlier notices and admission history.
