Quan Law Group: employer, family, citizenship and humanitarian records

How can a reader distinguish Quan Law Group's employer, family, citizenship and humanitarian service categories?

Quan Law Group's Houston website separates business/employment, family, citizenship and humanitarian services. Those divisions can organize an inquiry around the actual sponsoring party, person and government record rather than an undifferentiated request for immigration help.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify which of the four service divisions fits the inquiry.
- ☐ Label company and individual documents by their owners.
- ☐ Keep family and citizenship application histories distinct.
- ☐ Name the actual humanitarian program rather than a generic emergency.
