Reddy Neumann Brown: employer sponsorship and document responsibilities

What belongs to the employer, the worker and the document workflow in a Reddy Neumann Brown inquiry?

Reddy Neumann Brown describes an employment-based immigration practice for businesses and a client document portal. A useful inquiry identifies the sponsoring organization, proposed work and the people responsible for corporate and individual records; a portal is a tool, not a definition of legal scope.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify who authors corporate evidence.
- ☐ Preserve revisions to duties and organization charts.
- ☐ Separate personal history from the employer project.
- ☐ Distinguish a portal upload from government submission.
