Riedmiller Law: family, employment, waiver and self-petition records

How can a reader organize a mixed family, employment or waiver history for Riedmiller Law?

Riedmiller Law publishes family and employment petitions, self-petitions, humanitarian work, waivers and citizenship services. A useful inquiry identifies the actual government record and relevant personal chronology; the website's marketing about speed is not evidence of the service or outcome available in a new matter.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Name the record that prompted the inquiry.
- ☐ Keep petition and self-petition participants distinct.
- ☐ Attach the underlying decision to a waiver question.
- ☐ Preserve inconsistent source dates as questions for review.
