

YOUR WORKING CHECKLIST

Robert B. Jobe: asylum, court, detention and application records

Which records distinguish the asylum, defense, detention and family services published by Robert B. Jobe's practice?

The Jobe practice's current site separates family immigration, asylum, defense, detention, processing delays, crime-related matters and citizenship. Its team page identifies principal, senior and associate roles; the substantive inquiry still needs the actual proceeding and record requiring review.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the current proceeding before the team assignment.
- ☐ Keep asylum statements separate from court actions.
- ☐ Distinguish custody papers from processing-delay evidence.
- ☐ Identify the actual certification or petition in a crime-related file.
