Ryan Swanson: immigration consultation scope and published exclusions

What immigration inquiries does Ryan Swanson's consultation page expressly exclude?

Ryan Swanson's consultation information describes a paid intake process and expressly excludes deportation, removal, asylum, refugee applications and past or current criminal-history matters. The scope check belongs before assumptions about a meeting or a broader visa service; no consultation amount is quoted here.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Read the published intake exclusions first.
- ☐ Identify past as well as current criminal records.
- ☐ Separate a consultation from later representation terms.
- ☐ Use official legal-help resources for a distinct provider search.
