Socks Law Associates: criminal records, employer compliance and immigration

What record distinctions matter when researching Socks Law Associates' criminal, employer and individual immigration services?

Socks Law Associates publishes immigration and criminal defense alongside employer counsel, including visa and I-9 subjects. A criminal proceeding, an employer's verification records and an individual application need separate descriptions even when they involve the same worker or household.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the client behind each workplace or personal task.
- ☐ Locate complete criminal dispositions and later orders.
- ☐ Separate verification records from a petition project.
- ☐ Keep family and court histories connected but distinct.
