Stanton & Kaufman: administrative decisions, appeals and federal challenges

How can a reader distinguish administrative work, an appeal and a federal challenge in a Stanton & Kaufman inquiry?

Stanton & Kaufman publishes administrative and appellate immigration work, federal challenges to decisions or delay, and individual family and humanitarian services. A defined inquiry identifies the agency action, court order or unresolved application and the complete record behind it.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify the actual administrative or court decision.
- ☐ Connect it to the complete earlier submission.
- ☐ Preserve intervening actions in a delay chronology.
- ☐ Name the proposed review forum and service.
