Susham M. Modi: asylum, family and defense record preparation

What records make an asylum, family or defense inquiry to Susham Modi's Houston practice specific?

Susham Modi's biography describes immigration work and earlier clinical experience involving asylum, defense and family petitions. That history provides context; a current private-practice inquiry still needs the actual application, hearing record or family petition requiring professional review.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Distinguish historical clinic correspondence from a new private task.
- ☐ Keep asylum statements and submitted versions separate.
- ☐ Identify the hearing record and latest actual order.
- ☐ Connect each representation document to its matter.
