Van Der Hout: institutions, entrepreneurs and individual immigration records

How can an institution, entrepreneur or individual describe the distinct immigration work published by Van Der Hout?

Van Der Hout publishes business, family, achievement-based, entrepreneurial, humanitarian, institutional, compliance and litigation services. The actual sponsor, proposed work and government record distinguish those requests; broad service coverage does not turn them into one application.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify institution, founder or individual requesting work.
- ☐ Separate project evidence from personal achievement records.
- ☐ Keep I-9 compliance outside the petition label.
- ☐ Name the order or application underlying a dispute.
