

YOUR WORKING CHECKLIST

Weaver Schlenger: U.S. sponsorship, global mobility and employer compliance

How do Weaver Schlenger's U.S., global and workplace-compliance service divisions affect a mobility project?

Weaver Schlenger separates U.S. immigration, global immigration and I-9/E-Verify compliance. A mobility inquiry should identify the destination country, employer, worker and actual proposed activity; a worldwide service description does not make every country's permission or employer obligation the same task.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify destination country and proposed activity.
- ☐ Preserve prior and revised assignment records.
- ☐ Separate visa and admission records from an itinerary.
- ☐ Give compliance and petition projects their own document owners.
