Weinrich Immigration Law: current identity and individual or employer records

How can a reader connect an older Soreff Weinrich referral with Weinrich Immigration Law's current services?

Weinrich Immigration Law's homepage identifies a former practice name and an address change, while publishing family, employment, citizenship, visa, I-9 and crime-survivor services. An older referral should be connected to the current practice and the actual matter, not treated as current meeting or government instructions.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Retain the older referral and current practice identity.
- ☐ Keep historical papers unchanged after a name change.
- ☐ Separate private relocation from government attendance.
- ☐ Identify the individual or employer task being requested.
