Yasrebi Law: family filings, court defense, habeas and mandamus records

How do Yasrebi Law's habeas and mandamus headings differ as document inquiries from family or defense work?

Yasrebi Law separates family immigration, defense, citizenship and federal litigation, including habeas and mandamus subjects. The relevant inquiry starts with the actual custody record, agency history or court order; the litigation label does not establish an available remedy or a promised immigration result.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Distinguish custody records from agency-delay evidence.
- ☐ Preserve actual intervening agency actions.
- ☐ Mark missing records before requesting professional review.
- ☐ Identify the precise proposed court or agency task.
