

## YOUR WORKING CHECKLIST

# Permanent resident moves: USCIS reporting and separate case addresses

## Does updating my mailing address update every immigration record?

Address reporting, case correspondence and mail forwarding are different tasks. The regulation generally requires registered noncitizens subject to its exceptions to report a move within ten days under USCIS instructions. Other agencies and pending cases may require their own address records.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

### Your preparation checklist

- ☐ Record the actual move date and the address fields being changed.
- ☐ Use current USCIS instructions rather than a household assumption.
- ☐ Save the complete confirmation and identify affected pending matters.
- ☐ Check other institutions' records separately when relevant.
