A two-year Green Card: conditions, renewal and the next petition

Can I renew a two-year conditional Green Card with Form I-90?

A conditional Green Card carries a two-year period tied to a separate conditions-removal process. USCIS distinguishes marriage-based Form I-751 from entrepreneur Form I-829. Replacing a damaged card and removing conditions answer different questions.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify whether the original category was marriage based or entrepreneur based.
- ☐ Keep the card, approval and residence-start records together.
- ☐ Distinguish the joint petition's window from separate waiver provisions.
- ☐ Preserve the actual receipt and every later decision notice.
