H-1B1 for Chile and Singapore: professional work and process steps

Is H-1B1 available to every person living in Chile or Singapore?

H-1B1 is a treaty-based specialty-occupation category for citizens of Chile and Singapore. Its initial consular visa route differs from petition-based H-1B processing. Identify nationality, the proposed professional position and the specific agency step rather than treating the extra digit as an interchangeable H-1B label.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Confirm Chilean or Singaporean citizenship.
- ☐ Identify initial consular processing versus a domestic request.
- ☐ Connect the proposed duties to relevant qualifications.
- ☐ Use the linked official embassy instructions.
