

YOUR WORKING CHECKLIST

Academic translation and evaluation bundles

What should I check before buying translation and evaluation as one bundle?

A bundle can contain distinct services with different acceptance rules. Confirm the evaluator, report type, translation standard and source–delivery route separately; a single checkout does not establish that every component meets the recipient’s requirements.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ List every bundled service and issuer
- ☐ Confirm accepted evaluator and report
- ☐ Preserve direct–source requirements
- ☐ Read component–specific remedies

A little support for your next step.
