

YOUR WORKING CHECKLIST

Accounting credential records for a board-specific evaluation

What academic records should I identify before a foreign accounting education evaluation?

Start with the destination accountancy board and its accepted evaluation process. Separate degree awards, year-by-year results and transferred study; a general translation or evaluation does not establish CPA examination or licensing eligibility.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Identify accountancy board and purpose
- ☐ Check country-specific evaluator requirements
- ☐ Separate original study and professional records
