

YOUR WORKING CHECKLIST

Disrupted education records and documented alternative pathways

What options can I ask about when displacement prevents access to academic records?

Explain the actual documentation barrier to the recipient and ask about its alternative assessment process. Specialized programs may help some displaced people, but eligibility, referrals and accepted records must be verified directly; no editorial guide can promise admission or a completed evaluation.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Inventory surviving evidence
- ☐ Explain the actual access barrier
- ☐ Verify specialized program eligibility
- ☐ Ask the intended recipient about acceptance
