

YOUR WORKING CHECKLIST

Front, back and attached pages in a translation package

Which reverse sides and attachments should I include when preparing a document for translation?

Inventory the whole source before selecting pages. Reverse-side entries, attached certificates and continuation sheets may change the meaning of the front page, so confirm the receiving requirement before omitting them.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Inspect folds, booklets and reverse sides
- ☐ List attachments and their relationships
- ☐ Record blank and marked pages
- ☐ Compare delivered and source page inventories
