Translation offer terms: scope, eligibility and the final quote

How should I compare a translation offer with the complete service quote?

Read the offer's eligibility, covered services, billing unit and expiration, then compare the complete final quote. Keep certification, source-page coverage, delivery and corrections visible. A useful offer is one whose terms can be matched to the actual document service and recipient's requirements.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Locate official current terms
- ☐ Confirm eligibility and covered services
- ☐ Verify expiration and final total
- ☐ Save the complete final quote and applicable offer terms.

A little support for your next step.
