

YOUR WORKING CHECKLIST

Translation quote units: pages, words and minimums

Why can two translation quotes for the same document have different totals?

Providers can define pages, words, sides and minimum charges differently. Compare a complete written scope using the same source file, certification and delivery request; a headline per-page figure alone does not establish the final cost or equivalent work.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Request the exact counting rule
- ☐ Use the same source for each quote
- ☐ Separate needed add-ons
- ☐ Save the dated total and scope
