

YOUR WORKING CHECKLIST

Urgent translation quote review before a deadline

What should an urgent translation quote specify beyond a fast headline?

Confirm the deadline, time zone, complete source scope, certification, customer-review window and delivery channel. Urgency does not change the recipient's requirements, and a provider's production estimate is different from guaranteed arrival or an immigration filing deadline.

Check the boxes on screen or by hand. Use the notes area for records to find and questions to ask.

Your preparation checklist

- ☐ Define final deliverable and time zone
- ☐ Supply complete readable sources
- ☐ Reserve review and correction time
- ☐ Separate production from shipping

A little support for your next step.
